

Beta Chi Chapter of the NY State Organization of Delta Kappa Gamma

Gladys B. Hamilton Memorial Grant-In-Aid Application

(p. 1 of 2)

Gladys Hamilton was a teacher for 28 years at the Calvin U. Smith School in Painted Post, New York. She is remembered for her outstanding contributions to the math department including serving on state committees. Mrs. Hamilton was a hands-on educator who loved to have her students create a variety of materials. She enjoyed conducting Make and Take workshops for fellow teachers.

This grant in aid is given to support Beta Chi educators by funding classroom projects such as, but not necessarily limited to: Guest speakers, materials and supplies not covered by budget, class subscription to websites and magazines.
